

## Veterans Application *“To Serve In The Classroom”*

The Marion County School District has been tasked by the State Legislature to emphasize patriotism and love of country as a part of the School curriculum. The Marion County Veteran Council will provide volunteers to assist teachers in their efforts by bringing real life experience of patriotic and military service. Overseas and combat assignments are not always required.

As a volunteer, you may be called to attend a class during the school year at any of the County schools. You are not committed to accept an assignment but your name will be kept on file for possible duty.

You will be invited to attend an orientation seminar for further details after submission of your application.

**Please complete and mail the following application to:**

John W. Rose, 12410 S.E. 97th Avenue, Belleview, Fl 34420.

**Please print clearly** (for office use) Inputted to data base. \_\_\_\_\_
