~MISSION STATEMENT~

- **Halifax Area Chapter is an affiliate of the Military Officers Association of America.**
- **Our mission is to maintain a strong national defense and preserve the earned benefits of the uniformed services and their families.**

President's Message

Andrew (Drew) Hoffman, Capt., USAF (Ret).

Happy Easter to all and may a wonderful Spring bring us all a little peace and joy into our lives!

At the March Board of Directors' meeting, I announced to the board members that our Second Vice President, Casey Lancaster asked to be relieved of his duties and the position as his personal life (family and work) needed his time. The Board accepted, regretfully, Casey's resignation. Our most recent new member, Anita Williams, graciously accepted the position and was in attendance at the board meeting. All welcomed Anita in her new role.

The chapter will be holding a night out at the Tortugas baseball game. This will be held on Sunday, April 14, 2024. Game time is 5:00 pm as our local team takes on The Palm Beach Cardinals. Tickets are still available so come out and route for the home team! Contact Mary McLendon or Lon Garnder if interested.

We will have a special table available at the next membership meeting (March 28th) as we continue to try to keep our membership list current. You are invited to stop by the table and verify your information.

The annual Florida Council of Chapters (FCOC) convention is right around the corner. This year we are fortunate to have this very popular business/pleasure meeting right here at Daytona Shores. Our chapter looks to be very well represented but there is always room for more attendees.

Finally, a very special thanks to our Outstanding Support to Veterans awards committee. They have been working diligently, again, to select two recipients – A Not-for-Profit and a for-profit entity to be recognized and honored at our May 23rd Luncheon.

We are still looking for a Chairman for the Holiday Gala Dinner Dance. Will someone please step up and meet the challenge...Remember:

NEVER STOP SERVING! Drew

Secretary's Report – March Board of Directors' Meeting

Secretary's Report – March 5, 2024 - Board of Directors' Meeting

The March 2024 Board of Director's Meeting for the Halifax Chapter of MOAA met on March 5, 2024, at the Halifax Yacht Club, in Daytona Beach, FL. The meeting was called to order by Andrew Hoffman at 10:00 a.m. The following board members (showed with an asterisk) and guests were present: Andrew Hoffman*, Bancroft McKittrick*, Tina Dixon-Bartlett*, Kim Ramos*, Lon Gardener*, Skip Keating*, Steve Maas*, Patti Higgins*, Steve Becker, Pierre Louis, Jon Bateman, and Anita Williams. Reports of Officers/Committees.

Quorum requirements met.

Reports of Officer/Committees

The following items were discussed:

1. The minutes of the February 6, Board of Directors meeting - were distributed by email during February. Acceptance of these was nominated, seconded, and approved via email.

2. Treasurer's Report - Lon Gardener summarized the report and said that the current checking balance is \$ 6144.84. There is \$150 in petty cash, making a total balance of \$6294.84. He also stated that he has been unable to find out who has renewed their annual dues through the National MOAA because that link is not working. Lon presented a copy of our chapter logo that he is sending to FCOC, with a check for \$150, for placement of our chapter's ad in the conference program. Bancroft asked how the money donated, for the VA clinic plaque, would be managed now that we would not be providing the plaque. There was some discussion, and it was suggested that if the donors were ok with it, the money would go into the scholarship funds. Bancroft made a motion to accept; Steve M. seconded, and all approved.

3. Membership – Steve Becker stated that last month one new member joined, and one member passed. Patti asked if Alma McMillan had been added to the surviving spouse list. Steve stated he would check to see if her spouse had been a life member and get back to her. Steve stated that there are still sixty people that have not renewed their dues.

4. Officer Call Report – Pierre stated that the "OC" newsletter is doing well. He also mentioned that there are two positions needing to be filled in the Salute section of the newsletter. It was also brought up that Casey would not be able to serve as 2nd Vice President at this time. Our new member, Anita Williams, CDR USCG, offered and was appointed to fill that position. Bancroft stated that he would talk with her about what the duties of the position entails.

5. Surviving Spouse Update – Patti stated that she spoke with Mrs. McMillan, and she is getting the assistance she needs with estate planning. Patti also stated that she had contacted and invited Pat Green, Florida MOAA Surviving Spouse Coordinator, to be our guest speaker for October 2024. She is still awaiting an answer.

Old Business

6. Bagels and Bingo – Skip stated they met yesterday and there were twenty-three veterans, seven MOAA volunteers, and one DAR volunteer. He also stated that they have been running out of bingo cards, and that more are needed. He researched and found the best price is through Amazon for \$45. He asked that we provide the funds to purchase the cards. The request was approved. This activity takes place at Emory Bennett Veterans Nursing Home in Daytona Beach at 10 am on the first Monday of each month.

7. VCVC Update – Skip Keating stated that there were several checks presented to the Barracks of Hope for the portable medicine cart that they needed. We were able to donate \$100 towards the cart. They also need eight straight-back dining chairs.

8. VA Coffee and Donuts – Patti Higgins stated they will serve donuts and coffee this Thursday. They received a letter from Tony, Volunteer Specialist, at the clinic, to let them know that this activity will be placed on hold until after the clinic has moved to the new building which is projected for late April-early May. Patti also mentioned that March is National Women's History Month.

New Business

9. Outstanding Dues – Drew stated that there are still sixty members who have not renewed their annual dues. There was a discussion on what the best method would be to reach these people. It was agreed that Steve and Jon would create a list for the board members to call five people each. Steve M. suggested that we also send letters with a stamped pre-addressed envelope included to assist them in returning their dues. Everyone agreed. Steve B. stated he would create the letter.

10. Membership List – Drew stated he had been asked by a member if the membership list could be given to all the members. Pierre and Kim stated that there is a privacy issue with providing the list as designed. We would need to remove some information before that can be done. Jon mentioned that we could annually create a roster with each member’s name, email address, phone number, and dues renewal date. Anita agreed to work with Steve and Jon on creating the roster.

11. Baseball Game Outing – Kim stated that we have thirty seats reserved for April 14 at 5 p.m. and 21 folks have already signed up. The tickets are \$11, and we will be sitting behind first base.

From The Floor.

12. Halifax Gala Chair – Drew stated that we still do not have a chairperson for the holiday gala. He stated that he has asked several members if they would be able to perform this job, but so far no one has accepted.

13. Gold Bars/Rank – Kim stated she would be stopping by the detachment to find out how many gold bars will be needed for the cadets graduating this year.

14. Outstanding Vendors—Bancroft stated that the winner of the non-profit vendor’s award is Vitas. The committee is still seeking nominees for the for-profit Outstanding Support to Veterans Award. The award is presented at the May Luncheon Meeting. Committee members include Ben Taylor, Skip Keating, and Bancroft McKittrick.

15. FCOG – Pierre is one of MOAA’s “Advocacy in Action” members and he will be in D.C. on April 14, 2024, for that meeting.

The meeting was adjourned at 10:45 a.m. Our next meeting is on April 2, 2024, HRYC.

Respectfully submitted,
Tina Dixon-Bartlett
Secretary, Halifax Chapter of MOAA

Commentary on the upcoming Advocacy In Action Event (AiA)

Last week, the latest edition of the Military Officers (MO) magazine arrived in the mail. Ms. Hope Hodge Seck's commendable essay on page 40 highlights the importance of April for our organization. This article focuses on the upcoming Advocacy in Action (AiA) event in Washington, DC. Each year, the leaders of the Council and Chapters volunteer to make the trip and provide support for the predetermined goals outlined by our national MOAA headquarters. In recent times, I have been excited to participate firsthand with team members in this effort. In the past few weeks, I have been able to participate in multiple Zoom meetings involving Council leadership, national advisory teams, and colleagues who attended the event previously. These interactions have provided valuable insights and best practices. During the event, we have a robust timetable to actively interact with a total of 30 legislators, consisting of 28 House of Representatives and 2 Senators. If a legislator is already a cosponsor on the bill, we will still meet with them and/or their staff to express gratitude for their endorsement. On a Zoom call, Col. Dan Merry's comment, "Never forget that collective effort is more important than individual effort," resonated with me. For me, that really summed up why we are attending this event, and that is to work on the hill for each and every one of YOU with our advocacy efforts. Within our packets, we received an abbreviated background on the goals and I have pasted them, so you, the reader, can see them firsthand.

Support the Major Richard Star Act The Star Act will support 52,000 combat-injured veterans who are ineligible for concurrent receipt. Concurrent receipt might sound complicated, but it isn't:

- DoD is responsible for retired pay, earned through vested years of service.
- The VA is responsible for disability compensation for lifelong injury, earned through personal sacrifice.
- These are two different payments for two different purposes. Servicemembers who were injured in combat and forced to retire early face an offset where their retirement pay is reduced for every dollar of disability compensation received from the VA. Congress acknowledged this as an injustice in the FY 2004 National Defense Authorization Act and partially fixed it, but more needs to be done. To cut retirement pay because of combat-related disability remains an injustice. Combat-injured veterans earned retirement pay through their service. Reducing service-earned retirement to yield savings is shortsighted and fosters negative narratives about how our government treats combat-injured servicemembers. I kindly urge you to include the Star Act in your official request for the FY 2025 NDAA. With over two-thirds of Congress backing this crucial legislation, it is evident that there is widespread bipartisan support to aid our heroes who have made immense sacrifices for our nation.

*****We appreciate the great bipartisan support of S.344/H.R.1282 the Major Richard Star Act****

Basic Allowance for Housing (BAH) Reform In 2015, DoD began reducing BAH to "balance the growth in compensation costs." The BAH reduction was essentially a cost-savings measure on the backs of servicemembers and their families, many of whom endured multiple deployments during the previous decade consumed by the war on terror. They still face frequent moves and a continuously fluctuating housing market. DoD remains focused on improving financial security and stability across the force. But even though DoD has authority to restore BAH without permission from Congress, servicemembers are

still subject to a 5% cost share. Our nation expects 100% from servicemembers, and Congress should ensure they get 100% of their housing allowance. Support BAH restoration and pass the BAH Restoration Act.

*****We are seeking our lawmakers to cosponsor the BAH Restoration Act, S. 1823, either as standalone legislation or as a part of the FY 2025 NDAA. ****

Protect TRICARE For Life TRICARE For Life (TFL) provides Medicare wraparound coverage for military retirees. Congress created TFL 20 years ago to address a broken commitment for lifetime health care after DoD closed more than half of military treatment facilities, leaving many seniors with no military health care benefit. TFL became a key component of the compensation and benefits package that sustained the all-volunteer force throughout two decades of war. MOAA takes a balanced approach to TRICARE fee increases — we understand health care costs are rising and don't oppose indexing existing TRICARE fees by annual military retired pay COLA. Our mission is to preserve and protect earned benefits, so MOAA opposes TFL fees because that would change the terms of the health care benefit after it has been earned, violating our nation's obligation to those who served and putting at risk their endorsement of military service to future generations. Congress has been instrumental in blocking various past proposals for TFL fees that would slash the benefit for seniors. There are currently no active proposals for TFL fees, but we know the military health system budget faces continued pressure. The small percentage of citizens who handle 100% of our national defense have earned the benefit through service and sacrifice. We are counting on Congress to protect TFL.

*****Currently a bill has not been put forth, however, your stories can be presented in the Legislative Action Center. These stories will assist when the cost differential is factored in the 2025 National Defense Authorization Act (NDAA) ****

Veteran Burial Benefits

Burial in a National Cemetery is important. It honors your military service, plus it can decrease the cost of your final arrangements. Your burial benefits include a gravesite in any of 131 VA National cemeteries with available space, perpetual care, a government headstone, a flag, and a Presidential Memorial Certificate, all at no cost to the family. Some Veterans may also be eligible for Burial Allowances. Eligible spouses & dependents may be buried in the National cemetery, even if they predecease the veteran.

Determining your eligibility now can make it easier for your survivors later. If you choose, you can obtain a Pre-Need Determination of Eligibility for Burial in a VA National Cemetery. Filling out this form in advance is optional and can be done online (<https://www.va.gov/burials-memorials/pre-need-eligibility/>). You will need your DD 214 or other separation documents. Once the VA has reviewed your application, you will receive a written determination via mail which you should add to your burial planning paperwork.
